

**Updated 10-7:
Restoration Estimates by General Areas**

NOTE: Power restoration will occur throughout the week as repairs/replacements progress. This is a “full restoration” estimate, except for the most damaged or inaccessible areas.

***Be aware:** *this excludes homes/facilities that need homeowner repair, where a home/facility is no longer present, or where there is total inaccessibility and restoration. In these cases, restoration will extend beyond Oct. 11.*

Oct. 7, midnight:

- Alleghany County

Oct. 8, midnight (except isolated pockets due to extreme damage):

- Caldwell County (Except for Mortimer, Staircase and Edgemont)

Oct. 11, midnight (except isolated pockets due to extreme damage):

***Power restoration will occur in Ashe and Watauga counties throughout the week as efforts progress with the assistance of dedicated Service Crews repairing taps and Construction Crews replacing broken poles:**

- Ashe County, **including** Creston, Warrensville, Shatley Springs and Laurel Springs/Ore Knob
- Watauga County, **including** Hound Ears, Beech Creek, Valle Crucis and Peoria
- Caldwell County, **including** Mortimer, Staircase and Edgemont

***Be aware:** *this list excludes homes/facilities that need homeowner repair, where a home/facility is no longer present, or where there is total inaccessibility. In these cases, restoration will extend beyond Oct. 11.*
