

BLUE RIDGE ELECTRIC MEMBERSHIP CORPORATION

Schedule Number: 2.1

ELECTRIC RATE

**SCHEDULE GS – GENERAL SERVICE**

Availability:

Available to conventional or FlexPay commercial and general service members for full time permanent service with a maximum load requirement less than 25 kilowatts (kW); or for any member requiring temporary service during construction of facilities with a maximum load requirement less than 25 kW.

A demand meter may be installed when a member has consumed more than 5000-kilowatt hours (kWh) in any billing month or when the member's estimated demand is greater than 25 kW.

When a member's measured integrated 30-minute demand under this schedule equals or exceeds 25 kW per month for three or more of any of the past 12 months, or where the requirement is justified by the circumstances, the member may be placed on the General Service Small Commercial (GSSC) rate schedule.

Membership:

Each consumer receiving service under this schedule shall be a member of the Cooperative and agrees to comply with the bylaws and abide by all service rules and regulations as adopted by the Cooperative's Board of Directors.

Type of Service:

The Cooperative will furnish 60-cycle service through one meter at the following approximate voltages where available:

- Single-phase, 120/240 Volts, or
- Three-phase, 208Y/120 Volts, or
- Three-phase, Three wire, 240 Volts

Prospective consumers should ascertain the available supply voltage at the nearest Cooperative office before acquiring equipment.

Monthly Rate:

The monthly rate consists of three components: The appropriate basic facilities charge, the distribution energy charge, and the energy supply charge.

**Distribution Service:**

Basic Facilities Charge:

Single-phase	\$24.17
Three-phase	\$35.80

Distribution Energy Charge

First 7000 kWh	5.13¢ per kWh
Over 7000 kWh	2.76¢ per kWh

**Wholesale Power Supply Service:**

Energy Supply Charge:	6.29¢ per kWh
-----------------------	---------------

Minimum Bill:

The minimum monthly distribution service bill shall be the appropriate basic facilities charge.

Payment:

Payment for electric service is due when bill is rendered. Bills are considered past due after twenty-five days and service is subject to be disconnected after due notice. A deposit as specified in the Cooperative's Service Rules and Regulations may be required from consumers whose credit cannot be approved.

Multiple Meter Discount

The basic facilities charge will be \$19.33 for each single phase GS account that is used to support an existing residential account (well, pump, barn, shop, etc.) and is on contiguous property to the residential account.

Wholesale Power Cost Adjustment:

The above charges per kWh will be increased or decreased by 0.00001 cents per kWh or major fraction thereof, adjusted for line loss, by which the Cooperative's cost of purchased power per kWh exceeds or is less than Factor B of Schedule 8.1 - Wholesale Power Cost Adjustment Clause.

Capital Credits:

All monies received in excess of the cost of operating the Cooperative to provide service to members billed under this schedule shall be allocated to each member at the close of each fiscal year based on the billing of each member and credited to each member's capital credits account to be refunded as provided in the Bylaws.

North Carolina Sales Tax:

The above rate does not include N. C. sales tax. Any applicable sales tax will be computed and included on the bill.

Effective on bills rendered after October 1, 2019

Approved by Board of Directors September 26, 2019
