

## Receive a REBATE

for buying an energy efficient appliance or HVAC system.

Eligible Appliance	Rebate
ENERGY STAR Refrigerator (min. 15 cu ft)	\$25
ENERGY STAR Freezer (min. 10 cu ft)	\$25

Eligible HVAC Systems	Rebate
High-Efficiency Heat Pump (16 SEER or greater)	\$150
Geothermal Heat Pump (19 SEER or greater)	\$250

### Rebate Requirements

- New freezer and refrigerator must be ENERGY STAR qualified and meet minimum size requirements.
- When replacing an existing central AC or heat pump unit, the old unit must not have a seasonal energy efficiency ratio (SEER) greater than 13.
- When replacing an existing geothermal unit, the old unit must not have an energy efficiency ratio (EER) greater than 17.

## Save Money by Saving Energy

You can lower your monthly electric bill by reducing the amount of electricity you use. And everyone likes to save money!

That's why Blue Ridge Energy offers a variety of programs to help you save money when you save energy. What's good for your wallet is also good for our environment.

For a list of available services and energy-saving tips, please visit us at [BlueRidgeEnergy.com/Solutions](http://BlueRidgeEnergy.com/Solutions).

You can also call us at (828) 758-2383 or 1-800-451-5474 (toll free).
